# Young Scientist Excellence Award Application

CPSA Shanghai 2012 April 25-28, 2012 Renaissance Shanghai Pudong Hotel

### Award Application Information

The 2011 CPSA Shanghai Young Scientist Excellence Award was a victorious, harmonious and unforgettable event! It is the first time in CPSA's 14-year history to have such an award. 40 Posters were accepted for the on-site competition. The 40 posters were divided into 4 groups (10 per group), and the top 4 advanced to the 2nd round. After two rounds of thorough review, 12 young scientists received awards (one 1st place, two 2nd place, three 3rd place awards, and six honorable mentions).

We are very delighted to announce that the award will be a stronger event in 2012 with more posters, more viewing time and more winners. Come and join us! We would like to know you, the rising stars!

### Award Applicant Qualifications 申请人需具备以下资格

- Applicant must be the first author on an abstract submitted for a poster presentation at the CPSA Shanghai 2011 meeting
- Poster topic may be in the following scientific fields: ADME, bioanalysis, drug delivery, pharmaceutical analysis, pharmaceutical development, or PK-PD
- Applicant must have  $\leq 5$  years of working experience. Please be mindful that graduate study is not counted as working experience in this context. Post-doc study is considered working experience

### Award Application Process 申请过程

Deadline for submission is **March 12, 2012**

- **New!** Application and abstract to the Award must be submitted on-line at [www.cpsa-shanghai.com](http://www.cpsa-shanghai.com)
- The deadline for submitting applications including abstract for the Award is **March 5, 2012**.
- Application and abstract will be reviewed by the Award Committee. If the application is accepted, applicant's registration fee will be waived (for students) or reduced by 50% (for post-doctors and research scientists). Poster will be further reviewed at the conference. Awards (1st, 2nd, 3rd place and honorable mention) will be given out at the CPSA closing ceremony. Winners will be selected based on the quality and potential significance of the research presented in their posters.

### Poster Presentation Information

Each poster board measures 4' wide x 8' high (80 cm wide x 120 cm high). Posting materials will be available in the exhibit hall. Your poster number and poster session will be e-mailed to you. If you do not receive an e-mail by April 1, 2012, please check the final program online at [www.cpsa-shanghai.com](http://www.cpsa-shanghai.com). Your poster number will be designated on your board in the Yangtze Ballroom. Authors must be in attendance at their posters during the designated poster sessions (see below). The poster area is open for viewing during the entire Symposium, so posters should remain on the boards for the entire period of the meeting. The active poster sessions are scheduled for:

Thursday, April 26: 11:30 am - 12:30 pm

Friday, April 27: 11:30 am - 12:30 pm

Poster boards will be located in the Yangtze Ballroom and will be available for set-up anytime after 9:00 am on Thursday, April 26 to 10:00 am on Friday, April 27. All materials must be removed by 7:00 pm on Friday, April 27, or it will be discarded. Also, remember to take any business cards that are in your envelope – these people are requesting reprints of your abstract.

If you will NOT be able to attend the conference, please contact Dr. Ziqiang “Zack” Cheng ([ziqiang.z.cheng@gsk.com](mailto:ziqiang.z.cheng@gsk.com)) and/or Dr. Xiaoyi Gong ([xiaoyi\\_gong@merck.com](mailto:xiaoyi_gong@merck.com)) no later than April 12. Please also specify whether a colleague will present your abstract, or whether it should be withdrawn.

If you have any questions or need additional information, contact Dr. Ziqiang “Zack” Cheng or Dr. Xiaoyi Gong directly. Please DO NOT send your abstract via email. All abstracts must be submitted through the online submission page.

We look forward to seeing you in Shanghai!
