

**SATELLITE EVENT**

Held in conjunction with CPSA SHANGHAI

**BEIJING**  
**Drug Metabolism Workshop**

Monday, April 22, 2013

Holiday Inn Beijing Changan West (长峰假日饭店)  
Beijing, China

Organized by  
The Beijing Drug Metabolism Discussion Group  
and  
CPSA Shanghai

4TH ANNUAL SYMPOSIUM

**CPSA SHANGHAI**

*Where Technology and Solutions Meet  
Where East Meets West*

Milestone Development Services

**REGISTRATION**

Early Registration      \$100.00  
(before April 6, 2013)

Regular Registration:    \$150.00  
(after April 6, 2013)

Registration for members of the Beijing Drug Metabolism Discussion Group is free.

Travel information from the Beijing Capital Airport, the Beijing Rail Station, and the Beijing Rail Station West to the Holiday Inn Beijing Changan West Hotel is available online.

Visit the CPSA Shanghai website for more information as well as to register:

## Drug Metabolism Workshop

Monday, April 22, 2013  
Holiday Inn Beijing Changan West (长峰假日饭店)

08:30 - 09:00 Registration  
09:00 - 16:00 Workshop

### Part I: Frontiers of Drug Metabolism Science & Technology

Biomarkers of Mitochondrial Dysfunction  
*Dr. Ian Blair, University of Pennsylvania School of Medicine*

Predicting Clinical Drug-Drug Integrations: Regulatory Requirements and Data Modeling of in vitro Studies  
*Dr. Chuang Lu, Millennium Pharmaceuticals*

New Mass Spectrometry Technology Revolutionizes the Way We Do Drug Metabolism and Disposition Research  
*Dr. Mingshe Zhu, Bristol-Myers Squibb*

### Part II: How To Write Quality Drug Metabolism Publications

How to Prepare Research and Review Manuscripts Acceptable to a Drug Metabolism Journal  
*Professor Huwei Liu, Peking University, Department of Chemistry*

Key Elements & Steps in Writing Quality Drug Metabolism Manuscripts  
*Dr. Wei Tang, Chempartner*

How to Prepare a High Impact Poster and to Give a Successful Oral Presentation  
*Dr. Ian Blair, University of Pennsylvania School of Medicine*

### Workshop Organizers

Chairs: Hua Li, Beijing Institute of Pharmacology and Toxicology, and Mingshe Zhu, Bristol-Myers Squibb

Organizational Committee: Yan Li, of the Institute of Materia Medica, Chinese Academy of Medical Sciences & Peking Union Medical College; Zhenqing Zhang and Hua Li, of the Beijing Institute of Pharmacology and Toxicology; Guoliang Zhang and Wei Lu, of Peking University; Haifeng Song, of the Beijing Institute of Radiation Medicine

The Beijing Drug Metabolism Discussion Group

*Where Technology and Solutions Meet  
Where East Meets West*
